Attorney's Docket No.: 07703-
332001 / MEK0197/J.25273 US

During the week of May 26, 2003, the undersigned attorney contacted the Examiner to schedule a teleconference to discuss the pending application. During that initial telephone call, the Examiner mentioned that the undersigned attorney may wish to look at U.S. Patent No. 3,914,889 (Wagner) in connection with this application. The undersigned attorney has reviewed that reference and fails to see the possible relevance of that reference to the pending claims. However, a copy of that reference also is enclosed with this statement.

The undersigned attorney notes that although a teleconference was scheduled with the Examiner for the morning of June 3, 2003, the undersigned attorney was unable to reach the Examiner at the scheduled time or later in the day despite several attempts to reach the Examiner by telephone.

No fee should be due. However, please apply any required charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,
